

**NEW KENSINGTON CIVIC THEATRE
OCTOBER 2014
CALLBOARD**

We have a cast for "Clue." A very talented cast, I might add. Rehearsals have begun...opening night will be here before I get my bats back in the belfry! Before I start making the Halloween punch, (I am looking for "eye of a newt; anyone have any on hand?"), I will post the talented cast:

Professor Plum: Matt Mlynarski
Mrs. White: Allison Scott
Miss Scarlett: Missy Newell
Mrs. Peacock: Mary Jane Smittle
Colonel Mustard: John Lutman
Mr. Green: Ben Bruni
The Detective: Beth Minda
Mr. Boddy: Dirk Ahlgrim
Director : Rob Stull

(To be presented at the Forum Theatre October 23-26.)

Our next general meeting is Friday, October 10th, 8PM at the workshop. We are asking anyone who plans on attending to bring a simple snack to share for the "social time" following the business meeting. Thank you very much!
